CASTORIA

for Infants and Children.

Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize the state in the waver than an inch and a that of all the children born in civilized countries, twenty-two percent, or the other M. Alfing am who is a tise on the William one-quarter, die before they reach one year; there seven percent, or a stant expect affected on the lift pool, which is act nearly one-quarter, die before they reach one year; there seven percent, or a stant expect affect of the lift pool, which is act more than one-thard, before they are five, and one-half before they are lifteen !

We do not hesitate to say that a timely use of Castoria would save a majority outs many observations that rend to with two bottoms of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narrotic preparations. Drops, functures and leavers claim the wing fine are in the pools remarked for soothing syrups sold for chaldren's complain's contain more or less opium, or an constant rapid vibration, and seem get a "tiving star morphine. They are, in coast lerable quantities, deadly poisons. In any quantity, they stupefy, retard on ulattor and lead to congestions, sickness, death. Castoria. operates exactly the reasons. It causes the blood to circulate properly, opens the tier above the water, and was flying the wing riself. He remainly moves pores of the same and alloys from

Physicians Recommend Castoria. "I have need your Castera in case of a girl me stora is good for children and I frequently. The writer would like to state that air that was over a quarter of a mile duality and have for that a let a let a let a let a let a rescribe it, and always obtain the desired result."

"I save prescribed Castoria to families for several from actual experience, can state his tail. the same of the bright, Mathers like it, for children

SUGAR FACTORIES IN THE PHILIPPINES

The new era of modern cane sugar namufacture seems to arrow at last reached the Philippines, and most of the best of the old muscovado plantations are rapidly being changed into sn all Centrifugal houses, grinding one to two hundred tons of cane per day. We mentioned several of these last conth, and there are a number more such changes now going quietly for ward of which little will be known until after, the next campaign is offened

Eesides these, the large Mindoro RICKA, Montobegre November 29, mill is now completed and will soon It is the belief Let. at the Montene legin grinding the next crop, while in army Leydqua ters, based on cer | contracts have been awarded for two in information received, that the dif-offer large centrals, one at San Carlos letwoon Austria-Hungary Island of Negros, and the other at Caand Servic, which have been threaten-lamba, in Laguna Province, Is and of ing to break out it to a general Euro- I won, which are a sea to 1 to be to ally pean wer, have been unicably settled for the 1913-14 crop. thor, writes:

Stevens Institut

writes:

Lassitude and lack of ambition betoken nerve exhaustion. They are danger signals warning you that your nerves are tired and hungry. And if you would forestall more serious troubles you must be prompt to respond with a satisfying answer-a food answer. Mere stimulation is dangerous-at best it merely urges you on for a while-leaving you more jaded and exhausted than ever. in the weeks in

But there is a food-tonic that will rebuild-revitalize and renew nervous energy -a food-tonic that has been tried and proved in the experience of 15,000 physicians, who have heartily and enthusiastically endorsed it. Sanatogen is a natural, healthful food-tonic containing nothing to burden digestion-no false stimulus to cause reaction - just concentrated purest protein and organic phosphorus - a combination gratefully and quickly digested-every particle being converted into energy, building

That Sanatogen does this is attested by 15,000 physicians and a multitude of grateful men and women who have experienced its remarkable revitalizing powers.

Write for a Free Copy of "Our Nerves of Tomorrow" We ask you earnestly to get acquainted with Sanatogen. Investigate our claims first, if you like, and we are only too glad to have you do so. Ask your doctor about it, and in any case write at once for our book, "Our Nerves of Tomorrow," written in an absorbingly interesting style, beautifully illustrated and containing facts and information of vital interest to you. This book also contains evidence of the value of Sanatogen which is as remarkable as it is conclusive.

Sanatogen is sold in three sizes, \$1.00, \$1.90, \$3.60

Get Sanatogen from your druggist-if not obtainable from him, sent upon receipt of price.
